SIDE SHIELDS. WE'VE GOT YOU COVERED.

To protect your eyes from workplace hazards, if required, side shields are included with all Armourx frames.

ARMOURX SIDE SHIELDS ARE:

- Tested per ANSI and/or CSA Standards
- Impact resistant
- Resistant to lens cleaning chemicals
- Durable - will not crack or craze over time

Each side shield is designed to fit a specific frame. Permanently attached side shields are attached with a decorative rivet. Permanent side shields are attached at the factory, so you won't have to worry about extra little parts needed, or riveting.

SPARE PARTS
